

We are excited to announce that on Saturday, May 5, 2018, Big Brothers Big Sisters of the Ocean State will host *The Big Night Out* at the stylish Omni Hotel Providence. This signature event features gourmet food and wine, an exciting live auction featuring a Tom Brady signed jersey with four Patriots club tickets – all while dancing the night away to the live band, Brass Attack. Last year's event was nearly sold out and a huge success, which supported the mission of Big Brothers Big Sisters of the Ocean State.

A special element of the evening will be to celebrate this year's Bigs of the Year for their long lasting friendship and commitment to their Littles.

Proceeds from *The Big Night Out* will benefit mentoring programs. Gifts to our mentoring program supports the children we serve by

- Connecting them with a positive adult role model in a long-term, one-to-one mentoring relationship
- Enhancing their soft skills through workshops, fieldtrips and activities aimed at helping them to learn and grow
- Empowering them to advocate for themselves and think critically to avoid harmful or negative situations
- Showing them alternative life-paths and opportunities they may not otherwise encounter

Today, BBBSOS's greatest need is funding to match more children with mentors. Gifts to mentoring programs, through BBBSOS, will move us towards our goal of ensuring no child is placed on a waitlist.

We respectfully ask you to consider joining us in this worthwhile effort by becoming a benefactor of this signature evening. Your philanthropic leadership, along with that of our many corporate partners, Bigs, board members, donors, and friends, will ensure that BBBSOS has the ability to match every child with a mentor for life.

To be recognized in event materials, gifts must be committed and/or received on or before April 16, 2018. A representative from our committee will be in touch with you in the coming weeks to discuss further, but in the meantime, please do not hesitate to call George Evans Marley, Director of Development & Community Relations, at 401.921.2434 x116 with any questions.
